## Nebulizers

### NEBULIZER FRUGAL

Scanda's Nebulizer Frugal offers immediate relief for respiratory issues, promoting effortless and effective breathing. This nebulizer features a cylinder that contains liquid medication and operates in conjunction with an air compressor. The air compressor pumps air into the cylinder, transforming the medication into a fine mist. Patients can inhale this mist through a mouthpiece or mask, facilitating efficient delivery of the medication directly to the respiratory system.

### PORTABLE MESH NEBULIZER

## WATER BED

# WATER BED

Scanda's Water Bed is designed to alleviate pressure points and provide optimal body support during sleep. By using a water bed, the user's muscles are relieved from sustained fixed pressure in a single position. This bed is not only completely leakproof and hygienic but also offers exceptional comfort and durability. The Water Bed incorporates a slight leg elevation and tilts the pelvis backward, effectively reducing tension and pressure on the vertebrae and connecting ligaments.

### Highlights:

Colour : Green

- Soothing Relief
- Prevents Bed Sores
- Durable & Lightweight
- Polyester with Cotton Fabric
- Neutralizes Pressure Points

### Applications of **OHM SERIES**

- 01 Identify Plantar Pressure Asymmetries
- 02 Get an In-depth Analysis of Foot Function
- 03 Assess the Risk of Diabetic Foot Ulcers
- 04 Determine Fall Risk in the Elderly
- 05 Know Your Foot Types
- 06 Assess Stability in Neuromuscular Conditions

## FOOT SCANNER ANALYSIS

**S.T.E.P.P TEST**  
Stride Test Evaluation For Plantar Pressure

**Static Test**      **Dynamic Test**      **Stabilometry Test**

If you suffer from foot, knee, hip and back-related pain,  
or are an athlete then this test is for you.

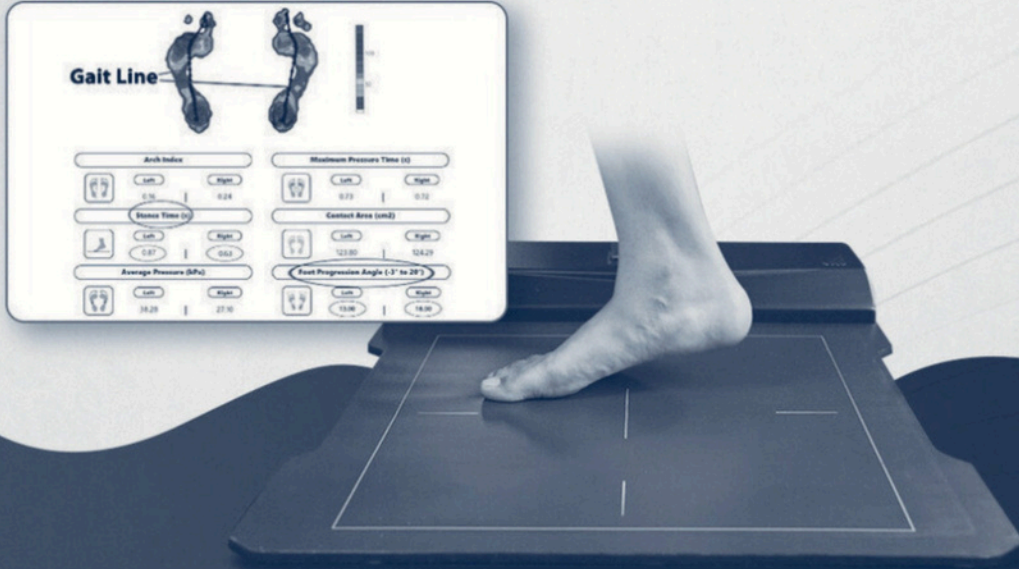

## FOOT SCANNER ANALYSIS

**Clinical Application**

**Get an In-depth Analysis of Foot Function**

Determine cause or effect of various ankle, knee, hip and back related orthopaedic conditions on plantar pressure distribution during bipedal stance and dynamic weight transfer during Gait.
